

WINE

100% PINOT NOIR

AGED 14 MONTHS IN 15% NEW FRENCH

OAK

pH - 3.73 | TA - .54g/100ml

VINEYARD

CRAFTED FROM 7 ESTATE CLONES

DRY FARMED

LAURELWOOD SOIL

2015 Estate Pinot Noir

Vintage Overview

Our 2015 Estate Pinot Noir demonstrates bright aromatics of forward red fruit and nuances of black fruit provided by the Laurelwood soil on our estate vineyard. Showing structured acidity in the mid palate, the wine finishes medium in length with notes of almond and truffle.

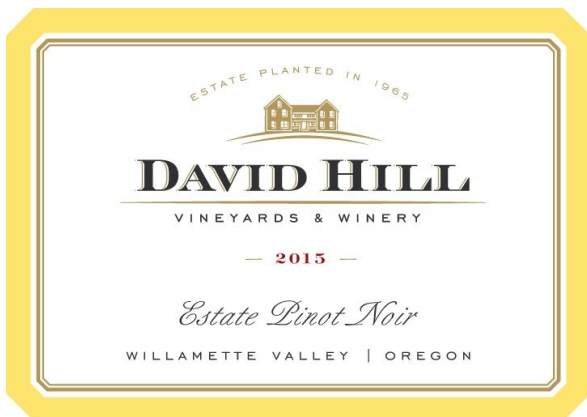

In the Vineyard

The 2015 vintage started with an early bud break and great weather at bloom, creating a historic fruit set in yields throughout the Willamette Valley. Through canopy management and vine age above 50 years, we went into August with good flavor development on the vine. The late August cool down and gentle rains allowed for increased hang time, and the ability to pick at optimal ripeness.

In the Winery

Each of the seven Pinot Noir clones on the estate were fermented and aged separately for 14 months in 15% new French oak.
