

WINE

100% PINOT NOIR | UNFILTERED
AGED 14 MONTHS IN 30% NEW FRENCH OAK
pH - 3.87 | TA - .65g/100ml

VINEYARD

CLONES: WADENWIL, POMMARD, COURY
DRY FARMED | SELF ROOTED
LAURELWOOD SOIL
PLANTED MID-1960s

2017 Old Vine Pinot Noir

Vintage Overview

With a brambly nose of spruce tip and cedar, this Pinot Noir displays complimenting fragrances of foraged berries, black tea, and dark chocolate. An elegant mid palate with structured tannins is resolved with flavors of white pepper and a graceful finish.

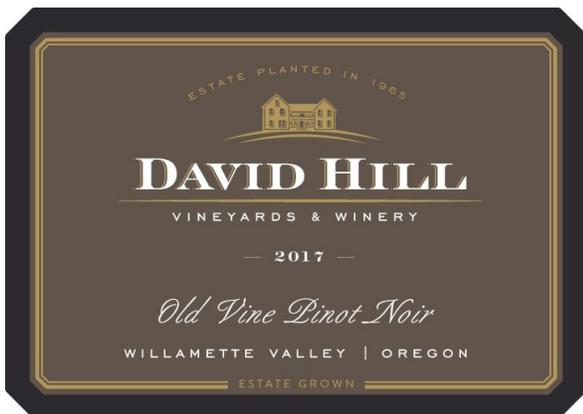

In the Vineyard

The 2017 vintage was marked quite differently than 2016 because there were less degree growing days in the Willamette Valley. A normal April bud break, and cooler June which slowed flowering, gave way to a great fruit set. Summer transitioned into a nice cool Fall, with no disease or bird pressure, and was reminiscent of a more classic vintage. The fully developed Pinot Noir fruit showcased the perfect balance of fruit and earth that is found in an Oregon Pinot Noir.

In The Winery

Separated by clone and aged for 14 months in 30% new French oak. Our Old Vine Pinot Noir is unfiltered and is made from only vines 50 years of age or older.
