

WINE

FERMENTED & AGED IN 25% NEUTRAL FRENCH OAK BARRIQUE & 75% STAINLESS
pH 3.16 | TA .71g/100mL | RS .21g/100mL

VINEYARD

OLD VINE! DRY FARMED
LAURELWOOD SOIL

INGREDIENTS

LIVE CERTIFIED GRAPES, SULFUR,
ORGANIC YEAST NUTRIENT, NATIVE YEAST

2019 Sylvaner

Vintage Overview

Aromas of desert stone, hibiscus tea, and starfruit are complimented by central palatal flavors of kiwi and melon. Key-lime acid contributes to the refreshing mineral water-like finish which lifts off the palate.

In the Vineyard

In 2019, the Northern Willamette Valley saw a return to a more classic cool vintage. Spring was warm and damp with a late bud-break, while the growing season was moderate and steady. Early rains and a rapid October cool down created the need for strategic harvesting of fruit, which rewarded us with optimal ripeness and retention of acidity. From 2019 we may see one of the best vintages in the last two decades.

In the Winery

At David Hill, our Sylvaner grows right alongside its parents Savagnin and Traminer, planted in the mid-1960's by Charles Coury who was inspired by traditional Alsatian viticulture. Our Sylvaner produces a dry neutral mineral white wine, which envelops the terroir of our vineyard.
