100% PINOT GRIS | AGED 7 MONTHS IN
NEUTRAL FRENCH OAK BARRIQUE

pH 3.21 | TA .58g/100ml

VINEYARD

UNKNOWN CLONAL ORIGIN

PLANTED IN 1974

INGREDIENTS

GRAPES, SULFUR, ORGANIC YEAST
NUTRIENT, NATIVE YEAST

Certified

Corporation

2020 Wirtz Vineyard Pinot Gris

Vintage Overview

With more powerful and concentrated flavors than 2019, our 2020 Wirtz Pinot Gris is remarkably similar to the previous vintage. Apple orchard aromas are complimented by flint, while notes of flake finishing salt and minerality continue through to the palate. Generous fruit weight and a lees aged quality create a lengthy voluminous palate.

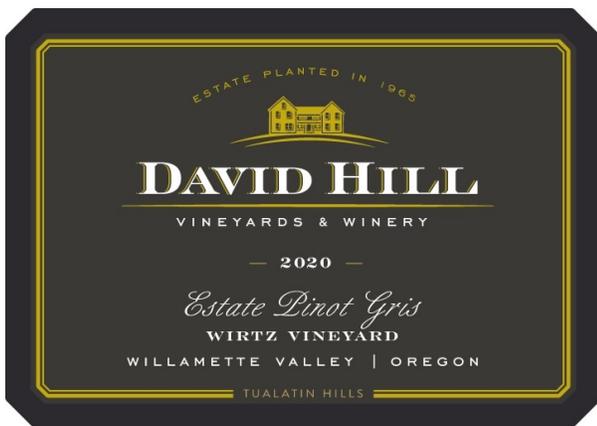

In the Vineyard

In 2020 Oregon experienced brutal wildfires, some of which were centered around the Eola Hills. With 50 square miles separating the Tualatin Hills from the most concentrated smoke, David Hill fared incredibly well, and our fruit was lucky enough to escape untouched by smoke damage. A damp and later than average bloom resulted in smaller clusters and berries, creating a perfect set for what the vines should bare during bloom. A temperate summer allowed fruit to hang without becoming overly ripe, while dry weather systems during harvest allowed the vineyard team to pick with leisure. The circumstances in 2020 produced ripeness and expression among our wines that makes for a seriously age-worthy vintage.

In the Winery

This estate Pinot Gris was gently pressed and aged on lees in neutral French oak barrique for 7 months.
