

WINE

100% PINOT NOIR

AGED 16 MONTHS IN 100% NEW FRENCH

OAK

pH 3.58 | TA .60g/100ml

VINEYARD

CLONES - POMMARD

DRY FARMED | SELF ROOTED!

LAURELWOOD SOIL

2020 Wirtz Vineyard Pommard Pinot Noir

Vintage Overview

The Pommard Pinot Noir starts with aromas of the wilderness reminiscent to old barn wood, smoke, and rose petals. The savory profile continues on the palate with paprika, game meats, and a sanguinity that is married with bright flavors of red fruit.

In the Vineyard

In 2020 Oregon experienced brutal wildfires, some of which were centered around the Eola Hills. With 50 square miles separating the Tualatin Hills from the most concentrated smoke, David Hill fared incredibly well. While there was some smoke damage in the Willamette Valley, our fruit was lucky enough to escape untouched by smoke damage. A damp and later than average bloom resulted in smaller clusters and berries, creating a perfect set for what the vines should bare during bloom. A temperate summer allowed fruit to hang without becoming overly ripe, while dry weather during harvest allowed the vineyard team to pick with leisure. The circumstances in 2020 produced ripeness and expression, making for a seriously age-worthy vintage.

In the Winery

Chosen for the unique characteristics given and enhanced by the barrels used to age the wine, this Pinot Noir stands on its own as a single clone, single barrel vintage.
