WINE

BRIX AT HARVEST 22.7 |

AGED 10 MONTHS IN NEUTRAL

FRENCH OAK

pH 3.52 | TA - .61g/100ml

INGREDIENTS

LIVE CERTIFIED GRAPES, SULFUR,

ORGANIC YEAST NUTRIENT, NATIVE YEAST

## 2021 Estate Pinot Noir

### Vintage Overview

Our Estate Pinot Noir is intentionally created to highlight a fruit forward flavor profile. The aromas of blue and black fruit arise first, transitioning into just ripe blackberries, and anise. An earthy undertone in the aroma parallels the flavors found on the palate of this Pinot Noir with portobello mushrooms, mint, and anise. Bursts of blue fruit and blueberries, alongside a bright acidity create a mouthwatering finish.

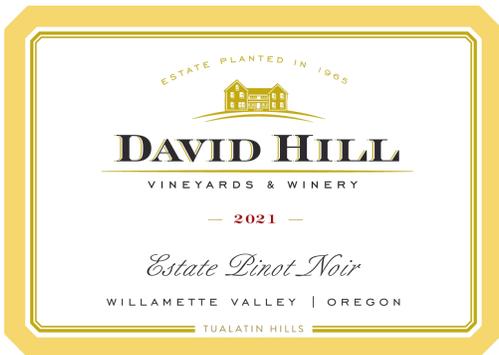

### In the Vineyard

In 2021 the blooming season started rainy for most of the Willamette Valley and Tualatin Hills. Fortunately, David Hill's vines bloomed later, resulting in abundant yields at harvest time. The overall temperatures for the season were warm, but even with the heat spikes in the summer it did not affect the vines or spike the sugar content. In fact, the dry heat of the growing season allowed for intentional hanging times for many of our varietals. The conditions of this vintage has created wines with complex flavors and aromas, making 2021 one of our favorite vintages in the last few years.

### In the Winery

This Estate Pinot Noir was aged in French Oak foudres for 10 months to give it a fruit forward taste and an elegant oak tannin finish.
