FRENCH OAK  
pH 3.16 | TA .62g/100ml  
VINEYARD  
100% PINOT NOIR  
DRY FARMED | LAURELWOOD SOIL  
INGREDIENTS  
LIVE CERTIFIED GRAPES, SULFUR,  
ORGANIC YEAST NUTRIENT, NATIVE YEAST

## 2021 Estate Pinot Noir Rosé

### Vintage Overview

On the nose, our Estate Rosé has notes of white blossoms, bright strawberry, and a salinity reminiscent of an ocean breeze. These aromatic notes transfer beautifully onto the palate, blending with the flavors of stone fruit giving it a refreshing finish that lifts off the back of the palate.

### In the Vineyard

In 2021 the blooming season started rainy for most of the Willamette Valley and Tualatin Hills. Fortunately, David Hill's vines bloomed later, resulting in abundant yields at harvest time. The overall temperatures for the season were warm, but even with the heat spikes in the summer it did not affect the vines or spike the sugar content. In fact, the dry heat of the growing season allowed for intentional hanging times for many of our varietals. The conditions of this vintage has created wines with complex flavors and aromas, making 2021 one of our favorite vintages in the last few years.

### In the Winery

This Rosé was intentionally crafted each step of the way. The wine was aged in neutral french oak to give it a unique texture and put through malolactic fermentation to round out its finish yet maintain a refreshing acidity. It was direct to press, and unfiltered.
