**2021 Zero**

**Vintage Overview**

This Pinot Noir showcases bright aromas of red cherry and red currant, with a hint of soy and hay. The palate follows with a clean expression of tart red and black cherry, reminiscent of the fruit punch enjoyed in childhood. The perfect vibrant summer wine to be enjoyed at a summer picnic, alone or with food.

**In the Vineyard**

In 2021 the blooming season started rainy for most of the Willamette Valley and Tualatin Hills. Fortunately, David Hill's vines bloomed later, resulting in abundant yields at harvest time. The overall temperatures for the season were warm, but even with the heat spikes in the summer it did not affect the vines or spike the sugar content. In fact, the dry heat of the growing season allowed for intentional hanging times for many of our varietals. The conditions of this vintage has created wines with complex flavors and aromas, making 2021 one of our favorite vintages in the last few years.

**In the Winery**

A wine in its most raw form. Made without the use of sulfur, this wine is lively and fresh. Containing no added sulfites, this wine may contain naturally occurring sulfites.
