

**WINE**

100% PINOT NOIR  
AGED IN NEUTRAL FRENCH OAK  
pH 3.55 | TA .60g/100mL

**VINEYARD**

PLANTED 1974 | COURTY CLONE  
DRY FARMED | LAURELWOOD SOIL

**INGREDIENTS**

LIVE CERTIFIED GRAPES, SULFUR,  
ORGANIC YEAST NUTRIENT, NATIVE YEAST

**2022 Zero Pinot Noir**

**Vintage Overview**

This Pinot Noir showcases aromas of lush, ripe red cherry, bramble, and strawberry and rhubarb with subtle notes of graham cracker and thyme. Nice red fruit carries through the mid palate, with a lingering mouthfeel, finishing with a slight tannin. This elegant, fresh wine, containing no added sulfur, is meant to be enjoyed young, while fresh.

**In the Vineyard**

In 2022, the vintage in the Willamette and Tualatin Valley AVA's started classically wet and cool, highlighted by a frightening cold spell and frost in April that reduced and damaged buds across the valley. David Hill experienced no damage, however, due to its location in the valley. Cooler than most areas, and behind in the growing stage, the vintage was protected. A cooler growing season overall and a dry late harvest season yielded high acid and full fruit, making for a physiologically ripe vintage. The conditions of this vintage have created wines that are balanced, with full fruit and bright acid.

**In the Winery**

A wine in its most raw form. Made without the use of sulfur, this wine is lively and fresh. Containing no added sulfites, this wine may contain naturally occurring sulfites.
